# Personalised Home Insurance

For too long, home insurance has been sold as a one-size-fits-all package that doesn't take into account that everybody's home is different. Our latest home insurance policy offers great value, flexible cover that you can personalise to suit your needs.

1

## Pick your Core-Cover

### Buildings Insurance Cover

Covers disasters such as fire or flood, as well as other events such as a burst pipe or vandalism.

### Contents Insurance Cover

Covers items such as furniture, carpets and appliances against loss, theft or damage. You can also choose to specify high-value items such as gold items, paintings and sculptures.

### Accidental Damage

Add Accidental Damage Cover to your Buildings or Contents policy for extra peace of mind for those unexpected accidents like spillages and breakages.

2

## Personalise your Contents Cover

### Personal Items

Cover up to £20,000 of items such as jewellery, clothes, wallets and sports equipment whilst in the UK and overseas for up to 60 days.

### Technology & Entertainment

### Pedal Cycle

3
